Download the House Price dataset from [Kaggle](#), and visualize the numeric and categorical features. There should be the following charts in your Notebook:

1. Histogram
2. Density Plot
3. Boxplot
4. Violin Plot
5. Scatter Plot
6. Correlogram
7. Heatmap
8. Bar Chart
9. Grouped Bar Chart
10. Stacked Bar Chart (Explore Yourself)

In addition, interpret what you understood from each chart.
